

## Court Facilities Payments

### DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, requires the transfer of responsibility for funding and operation of trial court facilities from the counties to the State of California. The County must pay the State the amount that the County historically expended for the operation and maintenance of each court facility. This budget unit was established in 2006-07 to budget and track these payments. There are twenty-seven facilities to be transferred with an estimated timeline of two years to fully complete the transfers.

There is no staffing associated with this budget unit.
